

## Best Practices (2021-22)

### 1. Title of Practice: Making Youth Responsible Citizens

Objective: To inculcate the responsiveness about environment and society among the students.

Context: In the era of social media and virtual world, it is the duty of institution to connect the students with the real world and develop sensitivity among students about the problem of society and environment. So, realising this need, activities are conducted to spread awareness about the social and environmental issues. Students participated in the activities starting from the college and then going nearby localities and village.

*The Outreach Programme* in collaboration with *Best Practices Committee* organised an awareness programme about the significance of Blood Donation on 19/05/2022 in college and village Jassia. The volunteers prepared posters on the topic of 'Blood Donation'. The awareness march started from the college campus and passed through village Jassia making people aware about significance of blood donation and myths related to donating blood through posters and slogans.

organised by NSS and YRC in Govt. College Jassia on May, 19<sup>th</sup>, 2022.

About 25 volunteers of Outreach Programme and other students participated in this awareness rally. The awareness rally motivated the people to donate blood which boosted the blood donation camp. At this event, convenor, Mrs. Meenu Rani led the march with other members- Dr. Meenakshi Dahiya, Mr. Kuldeep and Mrs. Preeti. At this occasion, Principal, Mr. Ranbir Kadian applauded and motivated the students for their enthusiasm in social activities.

Practice: The College is moving towards its aim of overall development of students.

Evidence of success: The college conducts activities on the themes like 'Helping the Needy People', 'Blood Donation', 'Cleanliness Programme', 'Saying No To Drugs', HIV AIDS Awareness Campaign, 'Duties of a Good Citizen'. Also, extension lectures, awareness rallies, various competitions viz. poster making, quiz, slogan writing, essay writing etc. organized by NSS, Outreach Committee and YRC of the college.

## **2. Title of the practice: Awareness about Environment Conservation.**

Objective: To save environment for sustainable future.

Context: Environmental degradation and need of spreading awareness.

Practice:

## ACTIVITY REPORT

*The Outreach Programme* organised the event of Awareness Campaign on 'Importance of Hygiene and Cleanliness for Health' in collaboration with *Best Practices Committee* on 04/05/2022. The awareness march started from college campus at 11 am and passed through village Jassia. Students held the banners and posters making people of village Jassia aware about the importance of hygiene and cleanliness through posters and slogans. About 30 volunteers of Outreach Programme and other students participated in this awareness rally. After two hours of awareness march, the campaign ended in  
in College Campus.

At this event, convenor, Mrs. Meenu Rani lead the march with other staff members- Dr. Joginder Singh, Dr. Shivani etc. At this occasion, Principal, Dr. Rajkumar Siwach applauded and motivated the students for their participation in social work.

Evidence of success: The college has conducted plantations drive and cleanliness programmes every year. Activities like awareness rally on Importance of Cleanliness and Hygiene, 'Swachhhta HI Seva' conducted by NSS and Outreach Committee. Apart from that, poster making competition on, slogan writing, debates are organised on themes like 'Save Water', 'Suno Nahro Ki Pukar' (Saving Canal Water), 'Say No to Plastic' and 'Save Earth' by relevant committees for making students vigilant and sensitive about environmental issues.
